NELSONVILLE BEATEN

A NICE CLEAN GAME BETWEEN THE HOME TEAM AND NELSONVILLE.

The ball game at the park last Sunday between Point Pleasant and the Nelsonville, Ohio, team was close and exciting and full of sensational plays. The game opened by Point Pleasant scoring 3 in the first while Nelsonville got a large goose egg in her half, but succeeded in chalking up 3 to their credit in the third inning. From this on up to the eighth inning the game was full of snappy base running and brilliant fielding, the score standing 7 to 5 in favor of Nelsonville. In the first half of the eighth inning Point Pleasant got two men on bases, with Ingles at the bat, who landed hard on the ball for a two bagger, tying the score. The visitors failed to score in the ninth. Park for Point Pleasant made a clean single, stole second and went home on a safe hit by Dashner, winning the game, 8 to 7. The Nelsonville club is a fine bunch of ball players, perhaps the best ever on our grounds, but the puzzling delivery dished up by Dashner kept them guessing from the 1st to the 9th inning. Our boys all played a creditable game, and this victory over Nelsonville is highly pleasing to the patrons of the game. Following is the official score:

RIVER NEWS

The Ben Hur, which formerly ran in the trade between Parkersburg and Wheeling has been sold to the Mississippi Amusement Co., of St. Paul, Minn. and will leave for that city in a few days.

The towboat Josh Cook, controlled by the Monongahela River Consolidated Coal & Coke Co., has passed into the hands of Capt. Oscar Barrett, representing the Barrett Towing Co., who operate on the Mississippi and lower Ohio. The boat is now in the south, where the new owners take charge. The consideration was \$25,000.

The steamer Charley Brown was in a serious wreck at Hockinsport, just below Parkersburg. The boat ran upon the submerged piling in the stream, left by one of the contractors who are building the government dam at that point. The Brown and tow were rescued by another towboat that was close at hand and although none of the craft sank, all were badly strained and hard work was necessary to keep them afloat.

Capt. L. E. Koontz, one of the well known steamboatmen on the Ohio and Mississippi, died Saturday at his home at Ironton. He was 60 years of age and was known all along the lower Ohio. Most of his work was done on the rivers of the South, plying on the Red River and the lower Mississippi. He was heavily interested in a line of boats and acted as pilot and captain. Some 25 years ago a horrible tragedy occurred which cast a gloom over Captain Koontz' life which would have crushed a man of less strength of will and faith in the belief that all things are done for the best. His wife, two daughters, son and niece, who had been spending the winter with him at Shreveport, started for the north to spend the summer and took passage on the steamer Golden City. The boat caught fire one night while at Memphis and was burned, together with about 60 passengers and a circus while numerous others were drowned. The bodies of Mrs. Koontz, children and niece were never found. Will C. Jewett, formerly of this place, but now of Huntington, was on the ill-fated steamer with a circus at the time.

WESTON, OCEAN-TO-OCEAN WALKER,

Said recently: "When you feel down and out, feel there is no use living, just take your bad thoughts with you and walk them off. Before you have walked a mile things will look rosier. Just try it." Have you noticed the increase in walking of late in every community? Many attribute it to the comfort which Allen's Foot-Ease, the antiseptic powder to be shaken into the shoes, gives to the millions now using it. As Weston has said, "It has real merit." June 2-4t.

The weather man has either gotten matters badly twisted or fell asleep on duty. Anyhow, August has beaten June here by a neck, and most any of us would be willing to accept a linen duster and a cake of ice and be satisfied.
